## 2018 Calhoun Bull Evaluation Program

---

July 26, 2018

To: Consignors, Buyers, and Supporters of the 49<sup>th</sup> Calhoun Bull Evaluation Program

From: *Jason Duggin* Jason Duggin, Extension Animal Scientist

RE: 2018 Calhoun Bull Evaluation Program On-Test Report

Thank you for delivering your bulls to the 49<sup>th</sup> Calhoun Bull Evaluation Program! There are currently 137 bulls representing 6 different breeds. This group has transitioned well. The on-test average weight was 904 lbs.

We owe a big thanks to Randy Fordham of Boehringer Ingelheim Vetmedica, Inc. for donating vaccines that were used at bull delivery. Please express your gratitude toward Randy and BI for their continued support.

**If you have not provided your registration papers, genetic defect documentation, or other data (Weaning Weights, Ratios, Number of Contemporaries, etc.) that may need updating on your delivery form, please provide by August 20<sup>th</sup>. It is critical that we have all of this information on file as soon as possible.**

- 1<sup>st</sup> weigh day is August 21.

You can access Georgia Bull Evaluation documents at [ugabeef.com/programs](http://ugabeef.com/programs).

Feel free to stop by and visit the Calhoun Bull Evaluation Center at any time.
