October 14, 2020

To: Interested producers and consignors of the 51st Calhoun Bull Test Program

From:  Jason Duggin, Extension Animal Scientist

RE: 84 Day Report

Hope this finds you well. ADG for this 28-day period was 4.3 lbs. and the bulls are doing well!

The sale is quickly approaching. The GCA Bull Test Committee has targeted to move forward with using LiveAuctions.tv as an online bidding option in addition to live bidding and phone bidding options for the sale. Seating for live bidding will be limited to a maximum capacity. The bulls will be sold while playing recorded videos. Online bidding is encouraged when possible due to Covid-19 regulations. While inside the barn and other facilities, facial coverings will be required as well as social distancing and advised sanitation practices according to UGA and State of Georgia guidance. Buyers will be able to view bulls at the development center like always until Tuesday, December 2nd and then at the sale facility starting 2:00pm December 3rd and the morning of sale day on Friday, December 4th. Go to ugabeef.com/bulltest for online access to reports and other details as available. As always feel free to call or text with any questions to my cell phone at 706-728-4354.
