

GEORGIA

BULL TEST

Calhoun

Sale Day Info

The Calhoun Bull Evaluation Program is an educational program for southeastern cattlemen to serve as a basis for the comparison of their sires to those in the 84-day evaluation. The University of Georgia's College of Agricultural and Environmental Sciences Animal and Dairy Science Department and the Northwest Georgia Research and Education Center manage the program in cooperation with the Georgia Cattlemen's Association.

Auctioneer

Carroll Cannon (GAL #249)
Cannon Marketing Company 229-881-0721

Sale Location

1286 Highway 53 Spur SW
Calhoun, GA 30701
From Exit 312 off I-75: Take Highway 53 West approx. 2 miles. Turn right on McDaniel Station Road. Continue on to stop sign. Turn left on Hwy. 53 Spur, SW. Go approx. 200 yards. Turn left to arrive at the Livestock Pavilion

Sale Order

Sale begins at 12:30 pm. The order of the sale is determined by the index. The highest indexing bull sells first, and is followed in descending order, regardless of breed.

Index = Average Daily Gain (ADG) + Weight per Day of Age (WDA)

Sale Book

Square One Agri Marketing...706-599-8194

Online Bidding

Bid online at liveauctions.tv and for online support contact Brooklyn at 812-530-0748

Viewing

Bulls will not be run through the ring on sale day, but will be penned at the sale sight for close inspection. A video of each bull will run during the auction. The videos will be available prior to the sale via a link on our website.

All persons who attend this sale do so at their own risk. The owners and sponsors assume no liability, legal or otherwise, for accidents of any nature.

Announcements

Announcements made from the auction box on sale day take precedence over the printed material in this catalog and all other announcements.

Sale Terms

- Each bull sells to the highest bidder.
- The auctioneer settles any dispute as to bids.
- The terms of the sale are cash or check.
- Each bull becomes the risk of the new owner as soon as sold in the auction ring. However, the staff takes every safety precaution until all cattle are loaded.
- Staff employees tend to bulls for a period of 24 hours after the sale.
- Buyers will receive a properly transferred certificate of registry at the consignor's expense. Buyers that have not received certificates within 90 days of the sale should contact the sale management.
- Health certificates will be available on each bull sold. Buyers from states with special entry requirements should call 706-624-1403.
- All bulls will have a floor, selling no less than \$2,500.

Eligibility for Sale

- All bulls are genomic tested with parent verification
- Top 2/3 in each breed
- Unruly/unsound bulls will not be sold
- Minimum yearling scrotal of 30 cm.
- Must pass breeding soundness exam
- Free of the following known genetic defects: AM, NH, CA, DD, OS and Dwarfism. The potential or carrier status of all bulls for newly identified genetic defects not listed above is disclosed in this sale catalog.

Bull Development

Test Data Collection

Bulls were received on July 10 or 11, 2023. After a 21-day diet transition period, weights were taken at 0, 28, 56, and 84 days. Hip heights were recorded at 0 and 84 days.

Health and Fertility

Health is excellent. Bulls are thoroughly examined for physical soundness, and have passed a breeding soundness exam by a licensed veterinarian.

Ration and Care

Continue developing yearling bulls with quality forages, hay, and supplemental feed. This will help ensure proper growth and performance. Visit ugabeef.com for the feed ration formulation used in this program

Performance Records

Each sale-eligible bull has passed strict performance standards and has a complete record presented in the summary below the two-generation pedigree.

Ultrasound Measurements

Bulls were scanned in accordance with the ILIA Lab procedures and interpretations. REA, IMF, and Fat adjustments were made to 365 days of age.

Genomic Enhanced EPDs

All bulls selling have had DNA submitted to their respective breed association for genomic evaluation and parentage verification. This increases the EPD accuracy to provide more certainty in decision making.

Red Carpet Cattle Producers

The consignors have brought together a great offering, and we wanted to make sure you got a good preview prior to viewing the sale videos for all the bulls by upgrading the catalog this year. Obviously, these bulls are of outstanding genetic quality as you view the parentage profile, test data, EPDs, and dollar values. As you read the footnotes, you will see numerous bulls ranking in the top end of their respective breed for economically important traits as well as those traits that make a difference every day on your farm.

There will be a bull viewing opportunity hosted by the Red-Carpet Cattlemen's Association the evening before the sale. This will be located at the sale facility at around 6:30 pm. We encourage everyone to come out and network with fellow cattle producers, view the bulls and enjoy some fellowship. This will be in lieu of the meeting formally held at the office building. If you need to look at bulls another time, please don't hesitate to reach out.

We look forward to seeing you at the viewing hosted by Red Carpet as well as sale day. If you have any questions or request, please don't hesitate to let myself, Travis, Karen, or the GCA Bull Test Committee know. We appreciate all of you as fellow cattle producers and look forward to working with you.

Regards,

Jason Duggan
