

November 21, 2023

From: 
Francine Henry Ph.D, Extension Beef Specialist

From: 
Jason Duggin, Extension Beef Specialist

Hope this finds you well! Enclosed is the 28-day report for the Tifton bulls. It has been very dry in Irwinville, but we are expecting some much-needed rain to settle the dust this week. As a group, the bulls have performed well with a 3.56 ADG. Weight gains ranged from 22 to 194 pounds and ADG ranged from 0.79 to 6.93 pounds.

Consignors:

1. We are still missing some essential data on some bulls: weaning data - (actual & adjusted, ratios, dates, and contemporaries). This information must be on file in order for your bulls to have carcass ultrasound measurements taken on January 18th.
2. Please double check and make sure all entries have a low-density genomic panel with parentage submitted or on file. Dams of all bulls need to have parentage on file with their association as well. This is necessary for sale eligibility. We will be in contact with all those that are missing data or have DNA still in question.
3. Photos will be taken early January for ads and for the catalog.

Calhoun Update:

- Please go check out the updated full color catalog and videos on our website. We are anticipating an exciting sale on December 1st. if you are unable to attend in person, you can watch online through Liveauctions.tv

Please do not delay in getting this information completed. If we are still missing data from you on the next report, you'll find that your bulls' data will be blacked out. Please contact us should you have any questions. Have a Happy Thanksgiving!

Reports are available at: ugabeef.com/bulltest

Upcoming dates:

- December 1 – Calhoun Bull Evaluation Sale
- December 21 - 56 Day Weigh Day for TBEC

2023-24 Tifton Bull Evaluation Consignor List
