Moodle Classroom Setup:

- Each learning module will be uploaded to the Junior Herd Builder Program online Moodle classroom.
- Once students enroll in the contest they will receive a link to the Moodle classroom in which they will follow to create an account and enroll in the course.
- Students will be allowed to work at their own pace once the material is uploaded. All modules must be completed by **November 2nd, 2020**.
- Failure to complete the online modules by **November 2, 2020** will prohibit students from moving forward in the Junior Herd Builder Program.
- Instructions for each module will clearly be outlined in the online Moodle classroom.
- Each learning module will consist of an educational video and a short quiz that students must pass with a 70% or greater.
- For any questions or problems regarding the online Moodle classroom or for help creating an account or accessing modules, please contact Dylan Davis at dylan.davis@uga.edu or 706-542-7383.
