To: Tifton H.E.R.D. Consignors

From: 
Lawton Stewart, Assistant Dean for Extension

Enclosed is the 3rd report on the HERD heifers at Tifton. The heifers were AI'd this morning in Irwinville by the Area Managers and Techs from ABS. Special thank you also to our Agents on the HERD Team that were there to help on this early and cold morning. Weights were recorded on the heifers this past Friday afternoon when the prostaglandin injections were given. Please keep in mind that following a 17-day synchronization protocol, decreased weight gain is expected. So, females that have not gained are not a reason for concern at this time.

Cleanup bulls will be turned in on December 22nd and they will be removed on February 9th. Pregnancy ultrasound will be done on March 11th to determine which heifers are pregnant to AI and report 4 will follow at that time.

Important dates:

<i>February 11</i>	<i>Athens Beef Cattle Short Course</i>
<i>March 3</i>	<i>Tifton Beef Cattle Short Course</i>
<i>March 4</i>	<i>Tifton Bull Evaluation Sale</i>
<i>April 21</i>	<i>Tifton HERD Sale</i>

On another note, as of December 1, I began serving as the Assistant Dean of Extension for the College of Agricultural and Environmental Sciences. I will continue to serve with the Beef Team on this year's HERD Program. Dr. Pedro Carvalho will begin as the new Extension Beef Specialist on February 1, 2026, and he will bring a wealth of nutritional knowledge. I have enjoyed working with everyone through the beef programs for the past 17+ years, and I look forward to helping in this new capacity moving forward. Please continue to reach out to me with questions about the heifers, and let me know if I can help in any way!

Merry Christmas and Happy New Year!

*The Evaluation Center is open for visitors on weekdays between the hours of 8 a.m. and 5 p.m. You are welcome to visit the station during these hours. Please call Davy Rooks at 912-309-9183. Feel free to visit our website **ugabeef.com** for posting of reports and a complete schedule of activities planned for the program.*
